

**PUBLIC HEARING
MINUTES
TUESDAY, JUNE 7, 2016**

Council President Swan called the meeting to order at 6:30 pm. The Pledge of Allegiance followed.

ROLL CALL: Ellis, Healey, Hudak, Kahoe, Lanford, Lyons and Swan ABSENT: None.

OTHERS PRESENT: Mayor Beshara, Police Chief Morgan, Fire Chief Mihalek, Service Director Baker, Parks and Recreation Director Jocek, Planning and Zoning Director Frantz, Assistant Finance Director Edwards for Finance Director Turk, and Law Director Hanna. Absent: Finance Director Turk.

SUBJECT: Discussion of Ordinance No. 24-2016.

AN ORDINANCE REZONING CERTAIN PROPERTY LOCATED AT 3928 BRECKSVILLE ROAD FROM THE OFFICE/LIMITED INDUSTRIAL DISTRICT TO THE COMMERCIAL HISTORIC DISTRICT II.

Director Frantz gave a history of this piece of property. It was sectioned from a larger parcel. The Village did buy a portion of the large piece which will be used for cemetery development. The parcel in question has a small building on it, which does not appear to have an Office/Limited Industrial use and would better be suited for Commercial Historic District zoning. The property is adjacent to the Commercial Historic District and within the Village Historic District.

Jeff Gorman, Westside Leader, asked what the Village was going to do with the piece of property being rezoned. Director Frantz indicated that the parcel is owned by a private individual and does not belong to the Village.

ADOURNMENT: President Swan adjourned the meeting at 6:38 pm.

Respectfully submitted,

Carolyn Sullivan
Council Clerk
