Village of Richfield's Application Requirements

APPLICATION CONTENTS: Applications for a zoning certificate shall, as a minimum, contain the following:

1. The name, address and telephone number of the applicant requesting the certificate.
2. The name, address and telephone number of the property owner(s).
3. The location of the property including the street address.
4. A brief description of the intended use.
5. The current and desired zoning classification of the property.
6. A listing of all property owners within 500 feet of the subject property.
7. Preliminary development plans as outlined in requirement below.

DEVELOPMENT PLANS REQUIRED: Development plans shall be submitted to the Zoning Inspector for review by the Planning and Zoning Commission. **A complete application by the property owner or his authorized agent shall be received by the Zoning Inspector not less than fourteen days prior to a regularly scheduled Planning and Zoning Commission meeting in order to be placed on the agenda for that meeting.**

PRELIMINARY DEVELOPMENT PLAN: A preliminary development plan shall be drawn at a scale of no less than 50 feet to one inch and shall include the following:

1. **Survey:** a survey of the property by a registered surveyor showing topography at two foot intervals; land owned and proposed for development; adjoining lots, location of oil and gas wells, easements' and zoning on subject property and on adjoining properties.
2. **Buildings:** the location, area, height and use of all existing and proposed main and accessory buildings; distances of building to property lines; nearest buildings on adjoining properties.
3. **Traffic:** the proposed system of on-site vehicular circulation, and locations of access drives.
4. **Parking areas:** the layout and estimate of the number of spaces; distances from parking areas and drives to property lines.
5. **Signs:** the location, size, and height, of all signs to be placed on the property; and
6. **Landscaping:** the location and sizes of areas to be landscaped.

FINAL DEVELOPMENT PLAN: The Final Development Plans shall incorporate agreed upon revisions of the preliminary development plan and shall include all the information contained in the Preliminary Plan and in addition shall include the following:

1. **Buildings:** the general design, materials, and colors of the existing/proposed main and accessory buildings.
2. **Traffic:** methods for control of traffic; width and location of access drives; type of pavement and curbing.
3. **Parking access:** the number of spaces; type of pavement.
4. **Utilities:** the location, size and grade for all utility installations and connections to present or proposed facilities.
5. **Signs:** the type of illumination, materials, colors and content of all signs to be placed on the property.
6. **Site development:** grading plan; erosion control; landscaping plan showing location, number and size of plant materials, their scientific and common names; exterior lighting plan.
7. **Agreements:** preliminary drafts of all agreements, contracts, dedications, deed restrictions, easements, sureties and other instruments as may be required.
8. **Floor plans:** floor plan(s) at a scale of one-quarter inch to the foot (1/4"=1') shall be provided showing existing and or proposed uses.
