The LPA agrees that if Federal Funds are used to pay the cost of any consultant contract, the LPA shall comply with 23 CFR 172 in the selection of its consultant and the administration of the consultant contract. Further, the LPA agrees to incorporate ODOT's "Specification for Consulting Services" as a contract document in all of its consultant contracts. The LPA agrees to require, as a scope of services clause, that all plans prepared by the consultant must conform to ODOT's current design standards and that the consultant shall be responsible for ongoing consultant involvement during the construction phase of the Project. The LPA agrees to include a completion schedule acceptable to ODOT and to assist ODOT in rating the consultant's performance through ODOT's Consultant Evaluation System.

Subject: ITS TRAC; PID No. 77331

Dear Mayor Lyons:

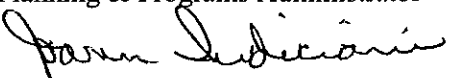

Attached are two (2) forms of Consent Legislation for the subject project that will begin construction in fiscal year, 2008. Per Section 5511.01 of the Ohio Revised Code, the Director of Transportation is required to request and receive legislation from municipalities, prior to making any necessary repairs to State Highways within the corporate limits. Please have both originals of the Legislation signed then return both to this office for further processing. Once they are signed in the District, one copy will be returned to you for your records.

This legislation may be retyped to suit local preferred format, however, no information may be deleted from the legislation, and the **Certificate of Copy, State of Ohio** must be returned signed and containing a line for the Director of Transportation's signature. Also, please put the county, route and section, along with the PID Number of the project on the cover letter, so the correct project information can be put with the related legislation. We would appreciate receiving this legislation as soon as it is executed.

Your cooperation is greatly appreciated in this matter. Should you have any questions, please feel free to contact me at (330) 786-4920.
