Drainage Materials and Road Repair and Maintenance Materials

I would appreciate if legislation could be prepared for the 2/18/03 Council meeting to allow the service director to go out for bid for drainage materials and road repair and maintenance materials. This is the same request from last year – our contracts on these materials run April 1st to March 31st.

I realize this is past the dead line for submittal, so if it cannot be prepared for 2/18/03 I will add it the first of March.

Sorry and Thank you.
