Drainage Materials

- Drainage Materials

As you can see from our bid tabulation sheet, the Village received three bids for drainage materials. After a very lengthy review Discount Drainage was the lowest and best bid for the Village. The following was the break down for the bids.

	Hughes	Discount	Pipelines
# of items that were lowest	21	38	4
# of items that we use (lowest)	4	9	1
# of miles from facility	27.5	20	55

The Village utilizes these drain materials for ditch eliminations, culvert pipes and, storm drain and culvert projects,

Discount Drainage has been the supplier to the Village in past years.

As a reminder, our current contract for drainage materials is over the end of March. Therefore time is of the essence for this approval to go through.

I respectfully request approval of this bid for drainage materials.
