re: Ordinance 62-1997 and Ordinance 63-1997  
accepting dedication of Kinross Lakes  
Subdivision Phase I and II

Dear Ms. Tibbs:

Pursuant to our conversation, this letter serves as our commitment to provide a hoist to service the pump stations at Kinross Lakes and Glencairn Forest and that meets the intent of the approved design and construction documents as modified at the request of the Village of Richfield Service Department. The revised hoist type will better serve the intended use. Glencairn Corporation, at no cost to the Village of Richfield, is providing the hoist.

Should you have any questions on the above, please advise. We appreciate your cooperation and support of the dedication of Kinross Lakes and its addition to the Richfield Village community.

Sincerely,
