

A RESOLUTION AUTHORIZING THE TERMINATION OF THE CONTRACT WITH THE CUYAHOGA COUNTY SANITARY ENGINEER FOR SERVICING OF VILLAGE SEWERS AND PUMP STATIONS EFFECTIVE JANUARY 1, 1996 AND DECLARING AN EMERGENCY

WHEREAS, this Council has investigated the feasibility of servicing its sewers and pump stations commencing January 1, 1996; and

WHEREAS, this Council has determined to proceed with servicing of its sewers and pump stations commencing January 1, 1996; and

WHEREAS, the Mayor of the Village of Richfield has notified the Cuyahoga County Sanitary Engineer of the Village's commitment to commence servicing of its sewerage systems as of January 1, 1996.

NOW, THEREFORE, BE IT RESOLVED by the Council of the Village of Richfield, State of Ohio:

SECTION 1. That as of January 1, 1996, the Village shall take over the maintenance of its sewers and pump stations from the Cuyahoga County Sanitary Engineer.

SECTION 2. That the remaining contractual obligations of the Village, including an agreement to abide by the Cuyahoga County Sanitary Engineer's user regulations shall remain in full force and effect.

SECTION 3. This Resolution shall take effect and be in force immediately upon its passage and execution by the Mayor.
