Improvements

Dear Mayor Waszak:

Terry Donovan sent a letter to you dated October 13, 1992 requesting an increase in our lump sum fee from \$28,400 to \$79,000 for the referenced project. The requested increase was based on the increase in project scope and additional work required.

You indicated at that time that the Village did not have additional funds available for a fee increase. I understand that the Village has received a grant from the Ohio Public Works Commission and you want to get the project moving again.

The Village's acceptance as indicated by the appropriate signatures on the lines below will be our formal authorization to proceed in accordance with our Agreement dated February 22, 1990, our letter dated October 4, 1990 requesting a fee increase from \$13,900 to \$28,400, and our letter dated October 13, 1992.

Mayor Ralph R. Waszak, Sr.
