Subgrantee may designate different Project Representatives throughout the term of this Agreement by providing written notification to the Grant Coordinator.
2. **(Grant Coordinator)** Ohio EPA shall coordinate all work with Subgrantee through the Director or the Director's designee, which designee shall be known as the "Grant Coordinator," who shall have the authority described herein. Any questions or disputes regarding the duties and obligations of the Subgrantee shall be resolved by the Director or the Grant Coordinator. The initial Grant Coordinator shall be the person identified as such in the Award Summary. Except as provided elsewhere in this Agreement, all notices, requests, submittals, consents or other communications shall be in writing and shall be hand-delivered or mailed first class, postage pre-paid, to the Project Representative or Grant Coordinator. Notwithstanding the above, the Grant Coordinator may require that any such notices, requests, submittals, consents, or other communications also be provided by electronic mail or storage media, as such is compatible with that used by Ohio EPA.

- b. All notices, requests, submittals, consents or other communications shall be effective upon the date of receipt by the person to whom such notice, request, submittal, consent or other communications are addressed. Either party may change the person to whom and/or the address at which, notices, requests, submittals, consents, or other communications are to be delivered by providing written notice of such new person and/or such new address to the Grant Coordinator or Project Representative.

ARTICLE II

4. **(Effective and Project Closure Dates)** This Agreement is effective and binding upon the parties on the date when the last required signature is affixed hereto. The project, as identified in Appendix A, Appendix B and as generally described in the attached portions of the grant application (which is also known as the Project Work Plan), which aforementioned documents are attached hereto and incorporated herein by reference as if fully rewritten, shall be completed on or before the Project Closure Date identified in the Award Summary. Notwithstanding said Project Closure Date, the last quarterly fiscal and semi annual technical reports shall be submitted by the date set forth in Paragraph 20 of this Agreement; responses pursuant to evaluations shall be submitted within the time established by Paragraph 23 of this Agreement; and the Closing Reports shall be submitted by the date set forth in Paragraph 24 of this Agreement. The Project Closure Date shall not be extended except upon written, signed consent by the Project Representative and the Grant Coordinator. Any such written signed consent shall occur before the Project Closure Date. Ohio EPA shall have no responsibility to provide financial assistance to the Subgrantee for project work performed outside of the terms of this Agreement.

5. **(Scope of Work)** Subgrantee is responsible for ensuring the performance of and/or compliance with, its duties and obligations arising under this Agreement. ARTICLE III

Award Amount / Payments / Unspent Grant Monies / Expenditures of Grant Monies

8. **(Award Amount)** Pursuant to the terms of this Agreement, Ohio EPA hereby awards a Clean Water Act, Section 319(h), Nonpoint Source Grant, ("grant"), in the amount identified in the Award Summary, to Subgrantee, which amount shall constitute the sole and exclusive consideration offered or furnished by Ohio EPA for the performance of duties and obligations by Subgrantee. Ohio EPA is hereby released from any and all liability for injury received by Subgrantee, its employees, agents, or subcontractors (referred to herein as subSubgrantees) while performing tasks, duties and obligations set forth in this Agreement.

9. (Payments)

- a. The first payment shall not be made until all parties hereto have executed this Agreement, and Subgrantee has submitted a written statement to the Grant Coordinator that the Subgrantee is ready to begin work requiring the expenditure of grant monies, the total non-federal match has been secured, and a payment request form with authorized signature has been submitted to the Grant Coordinator. Each succeeding payment shall not be made until the Grant Coordinator determines that

the Subgrantee has demonstrated satisfactory fiscal and technical performance in compliance with this Agreement, as demonstrated by the quarterly fiscal and semi-annual technical reports required under this Agreement, and upon submittal of the payment request form with authorized signature. The last ten percent (10%) of the total federal portion of the grant award shall only be reimbursed to the Subgrantee upon satisfactory completion of the project and submission to the Grant Coordinator of approvable closing fiscal summary and technical reports and final payment request form, with authorized signature.

- b. The amount of any one payment request shall not exceed the sum of prior eligible expenditures to be paid on a reimbursement basis for costs incurred and properly invoiced. If, at the time of payment request is made, the Subgrantee has a cash balance from previous payments, the payment amount shall be reduced by the amount of the cash balance.
- c. A payment request is not proper if it contains a defect or impropriety. The Grant Coordinator shall notify the Subgrantee of any defect or impropriety.

9a. (Working Capital Advance Payments) Any initial request for working capital advance payment shall be submitted along with the formal acceptance of this Agreement and shall be limited to the minimum amount needed for the first ninety (90) days of the project. Subsequent requests shall be limited to payment for costs incurred and invoiced. If, at the time payment request is made, Subgrantee has a cash balance from the initial advance, the payment amount shall be reduced by the amount of the cash balance.

10. (Unspent Grant Monies) Upon expiration or termination of this Agreement, the Grant Coordinator shall invoice Subgrantee for all unspent grant monies. Within thirty (30) days after the invoice date, Subgrantee shall return all unspent grant monies awarded under this Agreement to Ohio EPA. Checks shall be marked "Fund 3F5 Unspent Grant Monies from Grant No. ___", and shall be made payable to the Treasurer of the State of Ohio and mailed to Ohio EPA, Office of Fiscal Administration, P.O. Box 1049, Columbus, Ohio 43216-1049.

11. (Program Income) Program income earned during the project period shall be reported on the quarterly fiscal reports and closing fiscal summary and shall be deducted from the project's total costs eligible for reimbursement.

12. (Expenditures of Grant Monies) The expenditures of grant monies shall be pursuant to and consistent with this Agreement, Appendix A, Appendix B and as generally described in the attached portions of the grant application.

13. (Expenditures prior to effective Date of this Agreement) Subgrantee may, at its own risk, incur allowable costs prior to the effective date of this Agreement, but after the Project Start Date, provided that costs are pursuant to and consistent with this Agreement, Appendix A, Appendix B and as generally described in the attached portions of the grant application. Prior to the effective date of this Agreement, no prior approvals by Ohio EPA will be given.

As used herein, Project Start Date means the date specified in the Award Summary. Work performed before the Project Start Date shall not be reimbursed or provided with financial assistance.

- e. Procedures for determining allowable, allocable, and reasonable costs;
- f. A systematic method to resolve audit findings and recommendations; and
- g. Procedures to ensure prompt disbursement of grant monies awarded under this Agreement, upon receipt of such monies.

40 CFR Parts 30 thru 31 (Fiscal Administration) and OMB Circular A-133 contain a list of directives regarding supporting records.

16. **(Record Retention)** In a manner not less stringent than 40 CFR Section 31.42, Subgrantee shall keep full and complete documentation of all fiscal accounting, and any other record or document required by this Agreement, on file for three (3) years after the Project Closure Date. If any litigation, claim, or audit is started before the expiration of the three (3) year period, the records shall be retained until all litigation, claims, or audit findings involving the records have been resolved and final action taken. Documentation supporting fiscal accounting shall be filed in a manner allowing such documentation to be readily located.

17. **(Access to Records)** During the term of this Agreement and until three (3) years after the Project Closure Date or as extended pursuant to Paragraph 16 of this Agreement, Subgrantee shall provide Ohio EPA and the State of Ohio, their duly authorized representatives or any person, agency or instrumentality providing financial support to the work undertaken hereunder, with access to and the right to examine and copy, or if requested, shall submit to Ohio EPA within two (2) weeks following written request, any books, documents, papers and records of Subgrantee involving transactions or other activities related to this Agreement. 18. **(Audit)** Ohio EPA (or its designee), in accordance with this Agreement, shall have the right to audit Subgrantee's financial records, and to take such other action as is necessary to verify the accuracy of those financial records.

- c. Inform Ohio EPA in writing when an audit is conducted under OMB Circular No. A-133, and submit to Ohio EPA not later than forty-five (45) days of completion of the audit, all associated documents, including but not necessarily limited to, schedules, findings and questioned costs, and management letters; and

Subgrantee shall use the most recent reporting format provided by Ohio EPA, which may include online computerized reporting in a program to be determined by Ohio EPA. Failure to submit reports as required will result in delayed processing of payment requests and may constitute grounds for suspension or termination of this Agreement.

21. (Maintenance of Best Management Practices) If the installation of best management practices ("BMPs") is funded under this grant, within ninety (90) days after the effective date of this Agreement the Subgrantee shall provide the Grant Coordinator with written documentation of:

BMP installation costs incurred prior to submittal of the above documentation may be ineligible, within the sole discretion of the Grant Coordinator, for reimbursement under this Agreement.

22. (Workshops) Subgrantee shall attend all Ohio EPA 319 workshops scheduled after the Project Start Date. Scheduled workshop dates will be forwarded to the Project Representative by Ohio EPA.

23. (Evaluations) The progress of the project may be evaluated from time to time by the Grant Coordinator, whose goal is to ensure that progress achieved by the project is consistent with the goals, objectives and schedules of activities set forth in this Agreement, Appendix A, Appendix B and as generally described in the attached portions of the grant application. After any such evaluation, the Grant Coordinator may transmit to the Subgrantee a written evaluation report and may require responses from Subgrantee. If responses are required, Subgrantee shall respond in writing within thirty (30) days of its receipt of said evaluation report. Failure to respond within thirty (30) days may result in delayed processing of payment requests.

24. (Closing Reports) Closing fiscal summary and technical reports (together referred to as "Closing Reports") shall describe all fiscal activities and all technical activities and accomplishments covering the term of this Agreement. The Closing Reports shall integrate and add to all previously submitted fiscal and technical reports. Failure to provide a QAPP within the prescribed period may result in delayed processing of payment requests. Monitoring and analysis activities commenced under this Agreement prior to the submittal and approval of the QAPP by the Grant Coordinator may be ineligible for reimbursement.

31. **(Supersedece/Modification)** This Agreement is the complete agreement between the parties and supersedes all other agreements, oral or written, between the parties with respect to the subject matter herein. Except as otherwise specified in this Agreement, this Agreement, including, but not limited to, the Project Work Plan, may not be modified, amended or supplemented, or rights herein waived, except upon written, signed consent by the parties to this Agreement, provided that any such modification, amendment, supplementation or waiver shall comply with and be subject to any statutory or regulatory requirements placed upon Ohio EPA's authority to enter into agreements. A waiver by any party of any breach or default by the other party under this Agreement shall not constitute a continuing waiver by such party of any subsequent act in breach of or in default hereunder.

32. **(Certification of Funds)** To the extent that this Agreement involves the expenditure of money chargeable to an appropriation, this Agreement and the financial obligations of Ohio EPA hereunder are subject to Ohio Revised Code (ORC) § 126.07, which provides that contracts (agreements) involving such expenditures are not valid and enforceable unless the director of budget and management first certifies that there is a balance in the appropriation not already obligated to pay existing obligations. The expenditure of funds pursuant to this Agreement is further contingent upon the approval by the Controlling Board, if such approval is required by ORC §127.16.

33. **(Biennium Limitations)** This Agreement shall expire no later than the last day of the fiscal biennium for which funds have been appropriated to Ohio EPA by the Ohio General Assembly for this project. Unless terminated pursuant to Paragraphs 26 or 28 of this Agreement, this Agreement shall be renewed in each succeeding fiscal biennium in which any balance of sums payable by Ohio EPA under this Agreement remains unpaid, provided that both an appropriation of unpaid funds and the certification required by ORC § 126.07 are made, and provided further that the term of the payments shall not extend beyond the Project Closure Date, unless Ohio EPA and the Subgrantee agree in writing to payments beyond the Project Closure Date.

34. **(Non-assignability)** All of the provisions of this Agreement shall inure to the benefit of and be binding upon, the parties hereto and their respective agents, successors, and assigns; provided, however, neither party may assign any of its respective duties, rights and obligations hereunder, in whole or in part, without the prior written, signed consent of the other. No assignment, if any, shall operate to release Subgrantee from its liability for the performance of its duties and obligations under this Agreement.

34a. **(Binding of subSubgrantees)** Subgrantee shall bind its subSubgrantees to the terms and conditions of this Agreement, so far as applicable to the work of the subSubgrantee, and shall not agree to any provision which seeks to bind Ohio EPA to terms inconsistent with, or at variance from, this Agreement.

35. **(Subcontract)** For subcontracts which total more than ten thousand dollars (\$10,000) per subSubgrantee, Subgrantee shall not subcontract its duties and obligations hereunder without the prior written, signed consent of the Grant Coordinator.

36. **(Governing Law)** This Agreement and any claims arising out of this Agreement shall be governed, construed, and interpreted in accordance with the laws of the State of Ohio. Subgrantee hereby irrevocably consents to jurisdiction in a court of proper jurisdiction in Franklin County, Ohio.

37. **(Severability)** The provisions of this Agreement are severable and independent, and if any such provision shall be determined to be unenforceable in whole or in part, the remaining provisions and any partially enforceable provision shall, to the extent enforceable in any jurisdiction, nevertheless be binding and enforceable.

38. **(Subgrantee Liability)** Unless b. is checked, Paragraph a. is applicable.

- a. Subgrantee agrees to indemnify, save and hold the State of Ohio and Ohio EPA harmless and immune from any and all claims for injuries or damages resulting from or arising out of any negligent or wrongful act or omission of Subgrantee or Subgrantee's employees, subSubgrantees, agents or representatives in the performance of the duties and obligations of this Agreement. Such claims shall include any claims made under the Fair Labor Standards Act or under any other federal or state law involving wages, overtime, or employment matters and any claims involving patents, copyrights, and trademarks. Subgrantee agrees to defend against any claims if called upon by the State of Ohio to do so and Subgrantee shall bear all costs associated with such defense.

(The language below is for use in agreements with state institutions or agencies and departments, such as The Ohio State University and Ohio Department of Natural Resources.

- b. It is understood and agreed that neither party to this Agreement shall be liable for any negligent or wrongful acts, either of commission or omission, chargeable to the other, unless such liability is imposed by law. Each party to this Agreement shall seek its own legal representative and bear its own cost, including judgments, in any litigation that may arise from the performance of this Agreement.

39. **(Ohio EPA Liability Limited)** Ohio EPA's liability to Subgrantee for damages, whether in contract or in tort, shall not exceed the total amount of grant monies awarded under this Agreement or the amount of direct damages incurred by Subgrantee, whichever is less. Subgrantee's sole and exclusive remedies for Ohio EPA's, an Ohio EPA employee's, or the

State's failure to perform under this Agreement shall be as set forth in this Paragraph. In no event shall Ohio EPA, any Ohio EPA employee, or the State of Ohio be liable to Subgrantee for any indirect or consequential incidental, special or punitive damages, including, but not limited to, loss of profits, even if the State, Ohio EPA, or Ohio EPA employees had been advised or knew or should have known of the possibility of such damages. Notwithstanding any language to the contrary, Subgrantee shall be liable for any personal injury or damage to real property or tangible personal property, caused by its or its agents, successor's or assign's fault or negligence.

40. (Hiring Responsibility) Subgrantee shall be solely responsible for the hiring of all its employee(s), subSubgrantee(s), agent(s), and representative(s).
