Section 4. Disbursements.

(a) Disbursements to Pay for the Costs of the Financing of the Project. The Grantee shall require that upon completion of work as specified in its contract a Contractor shall promptly submit an invoice to the Project Manager. Within three (3)

Within five (5) Business Days following receipt of such invoice and certification from the Project Manager, the Chief Fiscal Officer shall conduct such reviews as he considers appropriate and, if he approves such invoice shall, submit to the Director the invoice, the Project Manager's certification and a Disbursement Request Form and Certification (the "Disbursement Request") in the form of Exhibit B attached hereto and made a part hereof, which Disbursement Request must be signed by both the Chief Fiscal Officer and the Chief Executive Officer. The Grantee shall not permit its Contractors to submit an invoice of repayment more than once every thirty (30) days or to submit an invoice for work that has not been completed.

All payments made by the Grantor shall be made directly to the Contractor who did the work and originated the invoice, unless the Grantor expressly authorizes Grantee upon presentation of documentation by the Grantee to the Grantor where such a method of disbursement would constitute an unfair hardship to the detriment of the Grantee, to use the reimbursement method specified in paragraph (A)(4)(b) of rule 164-1-22 of the Administrative Code.

Prior to any disbursement from the State Capital Improvements Fund, the following documents shall be submitted to the Director by the Grantee:

(1) If the request is for disbursement to a Contractor, the original invoice and one copy, an invoice for payment submitted

to the Grantee by the Contractor which invoice requests payment of such sums in connection with the Project;

(4) A Disbursement Request executed by the Chief Fiscal Officer and the Chief Executive Officer: *Exhibit B*

All documents submitted to the Director shall be retained by the Director.

As to any money disbursed to the Grantee pursuant to this subsection (a) to pay a portion of an invoice submitted by a Contractor, the Grantee shall expend such money to pay such Contractor for costs of the Project within twenty-four (24) hours after receipt thereof. Grantee shall hold such moneys uninvested pending payment to the Contractor.

(b) Disbursement to Refinance or Reimburse the Grantee for the Costs of the Project. The Chief Fiscal Officer and the Chief Executive Officer shall submit to the Director (i) a bill of sale, paid invoice or other evidence satisfactory to the Director that payment of the sums reflected therein have been made by the Grantee and (ii) a Disbursement Request Form and Certification (the "Disbursement Request") in the form of Exhibit C attached hereto and made a part hereof, which Disbursement Request must be signed by both the Chief Fiscal Officer and the Chief Executive Officer. The dollar amount set forth in the Disbursement Request shall be calculated by multiplying the Grant Percentage set forth in Section 2 hereof times the dollar amount set forth in the bill of sale, paid invoice or other evidence of payment. Within five (5)

Business Days of the receipt of the bill of sale, paid invoice or other evidence of payment, and the Disbursement Request, the Director shall, if such items are deemed by the Director to be accurate, initiate a voucher in accordance with applicable state requirements for the payment of the amount set forth in the

Disbursement Request. Upon receipt of a warrant from the Auditor of State drawn in connection with a voucher initiated in accordance with the terms of the preceding sentence, the Director shall forward it, by regular, first-class, United States mail to the appropriate recipient designated in a Disbursement Request.

Prior to any disbursement from the State Capital Improvements Fund for the purpose of reimbursing or refinancing the costs of the Project, the following documents shall be submitted to the Director by the Grantee:

(4) A copy of such other certificates, documents and information as the Director may reasonably require, including without limitation, an opinion of counsel to the Grantee stating that the reimbursement or refinancing of the costs of a Project shall not cause the interest on the Series 1988 Bonds to be includable in gross income for purpose of federal income taxation.

Upon receipt of the documents enumerated above, and finding them to be in compliance with the requirements of this Agreement, the Director is authorized and directed to cause the disbursement of moneys from the State Capital Improvements Fund for payment of the requested costs. Upon disbursement of such

moneys, the documents submitted to the Director shall be retained by the Director.

As to any moneys disbursed to the Grantee pursuant to this subsection (b) the Grantee shall expend such money within twenty-four (24) hours after receipt to thereof solely (i) for the purpose of reimbursing or refinancing the costs of the Project, or (ii) for purposes in furtherance of Grantee's operation as a Tax-Exempt Organization, and such moneys shall not be used to pay costs which have been previously paid for or reimbursed from the proceeds of tax-exempt bonds or for purposes which involve a Private Business Use.

(C) Excess Moneys. In the event that the Grantee determines that it will no longer require all or any portion of the moneys granted pursuant to Section 2 hereof for the purpose of paying, reimbursing or refinancing the costs of the Project, it shall mail, by first-class mail postage prepaid, a written notice of prepayment to the Director. Such notice shall state (1) that the Grantee does not intend to use certain moneys granted to it pursuant to Section 2 hereof to pay, reimburse or refinance the costs of the Project and (2) the amount of such moneys. Upon receipt of such notice, the moneys specified therein shall no longer be available to pay costs relating to the Project.

(d) Project Cost Overruns. In the event that the Grantee determines that the moneys granted pursuant to Section 2 hereof, together with the Local Subdivision contribution, are insufficient to pay in full the costs of the Project, Grantee may, with the approval of its District Public Works Integrating Committee, apply to the Director for supplemental assistance. The Director may approve or recommend such supplemental assistance only if the Grantee demonstrates to the Director's satisfaction that such funding is necessary for the completion of the Project and that the cost overrun was the result of circumstances beyond the Grantee's control, that it could not have been avoided with the exercise of due care, and that such circumstances could not have been anticipated at the time of the Grantee's initial application.

Section 5. Retainage. Grantee shall comply in all respects with the requirements of Section 153.12, 153.13, 153.14 and 153.63 of the Revised Code, including, but not limited to, the provisions thereof which require the withholding of certain

amounts from payments to be made to Contractors and the deposit of such amounts into an escrow account established pursuant to Section 153.63 of the Revised Code. All such amounts deposited into the escrow account established pursuant to Section 153.63 of the Revised Code shall be paid by the Grantee from the Local Subdivision Contribution and shall not be paid from the moneys granted to the Grantee pursuant to Section 2 hereof.

(a) The grant of funds herein shall be contingent upon Grantee's acquisition and commitment of the local matching funds necessary for the completion of the Project, its compliance with all other provisions of this Agreement, and its compliance with the provisions of Chapter 164 of the Revised Code and Chapter 164-1 of the Administrative Code. The Grantee shall provide a description of the manner or mechanisms of its local share of the Project cost pursuant to division (D) of Section 164.05 of the Revised Code and Rule 164-1-21(B)(6) of the Administrative Code in Exhibit D as attached.

The Grantee simultaneously shall provide the Director with its detailed responses to each and every negative or adverse finding pertaining to the Project and contained in the report. Such responses shall indicate what steps will be taken by the Grantee in remedying or otherwise satisfactorily resolving each problem identified by any such finding. If the Grantee fails to comply with the requirements of this Section or fails to institute steps designated to remedy or otherwise satisfactorily resolve

problems identified by negative audit findings, the Director may bar the Grantee from receiving further financial assistance under Chapter 164 of the Revised Code until the Grantee so complies or until the Grantee satisfactorily resolves such findings.

Section 11. General Assembly Appropriation. The Grantee hereby acknowledges and agrees that the financial assistance provided under this Agreement is entirely subject to, and contingent upon, the availability of funds appropriated by the General Assembly for the purposes set forth in this Agreement and in Chapter 164 of the Revised Code. The Grantee further acknowledges and agrees that none of the duties and obligations imposed by this Agreement on the Director shall be binding until the Grantee has complied with all applicable provisions of Chapter 164 of the Revised and Chapter 164-1 of the Administrative Code and until the Grantee has acquired and committed all funds necessary for the local match applicable to the Project.

Section 12. Indemnification. Nothing in this Agreement shall be construed as conferring any legal rights, privileges, or immunities, or imposing any legal duties or obligations, on any person or persons other than the parties named in this agreement, whether such rights, privileges, immunities, duties, or obligations be regarded as contractual, equitable, or beneficial in nature as to such other person or persons. Nothing in this Agreement shall be construed as creating any legal relations between the Director and any person performing services or supplying any equipment, materials, goods, or supplies for the Project sufficient to impose upon the Director any of the obligations specified in Section 126.30 of the Revised Code. The Grantee shall indemnify, defend, and hold the Director harmless from liability in case of claim or suit arising from the conduct or management of, or any other acts incidental to the Project during the period of Project execution.

Section 13. Termination. Grantor's obligations under this Agreement shall immediately terminate upon the failure of Grantee to comply with any of the terms or conditions contained herein. Upon such termination, Grantee shall be obligated to return any moneys delivered to Grantee pursuant to the provisions of this Agreement. In the absence of any such failure, this Agreement shall terminate and the obligations of

the parties hereto shall be deemed to be satisfied on the date on which none of the Series 1988 Bonds remains outstanding.

Section 14. Governing Law. This Agreement shall be interpreted and construed in accordance with the laws of the State.

Section 15. Severability. If any of the provisions of this Agreement or the application thereof to any person or circumstance shall for any reason or to any extent be held invalid or unenforceable, the remainder of this Agreement and the application of this provision to such other persons or circumstances shall not be affected thereby, but rather shall be enforced to the greatest extent permitted by law.

Section 16. Entire Agreement. This Agreement contains the entire understanding between the parties and supersedes any prior understandings, agreements, proposals and all other communications between the parties relating to the subject matter of this Agreement, whether such shall be oral or written.

Section 17. Captions. Captions contained in this Agreement are included only for convenience of reference and do not define, limit, explain or modify this Agreement or its interpretation, instruction or meanings and are in no way intended to be construed as part of this Agreement.

Section 18. Notices. Except as otherwise provided hereunder, any notices required hereunder shall be in writing and shall be deemed duly given when deposited in the mail, postage prepaid, return receipt requested, by the sending party to the other party at the addresses set forth below, or at such other addresses as party may from time to time designate by written notice to the other party:
