

A RESOLUTION TO AUTHORIZE AND DIRECT THE DIRECTOR OF PUBLIC SERVICE TO ADVERTISE FOR BIDS \_\_\_\_\_ FOR REFUSE COLLECTION SERVICES AND DECLARING AN EMERGENCY.

WHEREAS, the current agreement for refuse collection services will expire on November 30, 1989, and

WHEREAS, there exists a need and desire to provide continuous collection service,

Now, Therefore, Be It Resolved by the Council of the Village of Richfield, Ohio:

Section 1: The Director of Public Service is authorized and directed to advertise for bids for refuse collection services.

Section 2: The specifications for such services now on file in the office of the Director of Public Service are hereby approved.

Section 3: This Resolution is determined to be an emergency measure necessary for the immediate preservation of the public peace, health, or safety to provide continuous refuse collection service provided this Resolution receives the affirmative vote of two-thirds of the members elected or appointed, it shall take effect and be in force from and after its approval by the Mayor; otherwise it shall take effect and be in force from and after the earliest date provided by law.

Passed: 9/19/89

David W. Howard  
President of Council

David W. Howard  
Mayor Acting

Attest: Mary L. Hegley

RE: Refuse Collection/Resolution 53-1989  
Bid Due: November 16, 1989 2 P.M.

Concerning the subject, we submit a NO BID and wish to remain on your bidder list for any future needs.

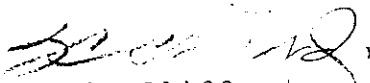

As the largest solid waste hauler in Summit County we strongly object in the way this bid is presented for any qualified bidder.

By limiting the bid to one year or a possible two year contract and by not allowing us enough time to address your alternate requests, this limits your potential. We do believe recyclables is an important item to include, but the information supplied could be somewhat altered to better meet the needs of the program to make it more desirable to all concerned. Also, to have the proper equipment to recycle, every company needs sufficient contract time to cover the costs involved in a good recycle program.

We urge you to consider other options to help keep costs contained.

If you have any questions, please contact me.

Sincerely,

  
J. C. Clifford  
Division Manager

2. COLLECTION STATISTICS:

1200 residential units (approximate).

55 business stops (approximate).

120-130 cubic yards collected per week, including heavy rubbish.

3. RULES AND REGULATIONS FOR REFUSE DISPOSAL:

(a) Refuse Defined. "Refuse", as used in this chapter means all putrescible wastes, including vegetable and animal offal and all discarded household wastes such as ashes, tin, glass, paper, rags, appliances, water heaters, broken household furnishings: building materials, tires, stone, rock, dirt, steel, iron, etc. Tree limbs, wood, bundled newspapers, etc., will be considered as refuse as long as the same are bundled up in lengths of less than four feet and with a diameter not exceeding two feet, and securely tied. Grass cuttings will also be considered as refuse. Animal manure may be considered as refuse if securely wrapped, or bagged and tied.

(b) Collection Service. Refuse will be collected once per week. No collections will be made on Sundays and holidays. The Village may adjust a collection day due to extreme bad weather, holidays or unforeseen circumstances beyond the control of the Village and therefore, any collection so adjusted may be collected the following work day or an alternate working day as the Village deems practicable.

(c) Refuse Preparations. All refuse must be drained of surplus water before being deposited in the refuse container. Only refuse in proper containers will be collected.

(d) Container Requirements. Plastic bags or paper bags are required as refuse containers, and such bags must be of sufficient strength to hold contents. All plastic or paper bags used as refuse containers shall be securely tied prior to collection. Refuse containers not complying with the provisions of this section, such as baskets, wooden barrels, tubs, can, etc., may be collected the same as other waste material.

(e) Number of Containers Limited. The maximum number of containers to be collected at any one location at any single scheduled pickup shall be limited to six (6) containers per residence and/or business per week. The bidder is to use the six (6) container limit as an average when compiling his bid.

(f) Container Locations. All containers used for refuse collection as herein provided shall be placed on tree lawn near the curb, or such containers shall be placed at the front line of the premises in time for each scheduled collection: provided, however, that such refuse containers shall be placed on the tree lawn or at the front line of the premises not before sunset of the day preceding the scheduled collection and not later than 8:00 A.M.

(g) Hazardous Waste. Contractor shall not remove Hazardous Waste from the Village of Richfield.

## "ALTERNATE PROPOSALS"

The Village of Richfield desires alternate proposals based on the following:

### ALTERNATE "A"

Collection rules shall remain as stated for the basic bid except residents shall be required to recycle tin, glass, aluminum, newspapers and cardboard. Residents shall be responsibility to deposit recyclables at Town Hall.

### ALTERNATE "B"

Collection shall be for daily household waste only. Maximum of six (6) bag limit. Residents will be required to recycle tin, glass, aluminum, newspapers and cardboard. Shall be the responsibility of residents to deposit recyclables at Town Hall.

Also excluded from collection will be appliances, water heaters, broken household furnishings, building materials, tires, stone, rock, dirt, steel, iron (including vehicle parts), tree limbs, wood, leaves, grass clippings and animal manure. These items shall be the responsibility of residents to arrange for disposal.

### ALTERNATE "C"

Collection shall be for daily household waste only. Maximum of six (6) bag limit. Residents will be required to recycle tin, glass, aluminum, newspapers and cardboard. Shall be the responsibility of residents to deposit recyclables at Town Hall.

A full week of collection will be provided in May and October to collect appliances, water heaters, broken household furnishings, building materials, tires, stone, rock, steel and iron (including vehicle parts).
