

CONDITIONS OF SPECIAL HAULING PERMIT

1. The granting of a permit does not guarantee that the load described can be moved without damage in the pavement or structures; although the permit is granted on the assumption that the load can be moved without damage based on the best information available.
2. Permittee will be held liable for any damage caused by the movement. The Village assumes no responsibility for damage to the permittees equipment or load being moved due to any such failure. The permittee agrees to compensate the Village of Richfield for any damage to a roadway or road and from all responsibility for personal injury or property damages (public or private) caused directly or indirectly as a result of the transportation of said vehicle(s) or object(s). Depending on the information provided by the Applicant, the Chief of Police may require the posting of a bond of other security under the authority of Village of Richfield Codified Ordinance § 339.02.
3. The permit shall be in the possession of the driver at all times during the progress of transportation and will be shown on demand to any Law Enforcement Officer.
4. The permission granted restricts the movement of the vehicle(s) or object(s) to the roadways specified, between the points designated, and within the time allotted.
5. Movements under a hauling permit shall be made in such a manner to impede the least possible extent the normal roadway traffic.
6. No vehicle(s) or object(s) being transported under hauling permit shall be left parked on the roadway either day or night except in case of an emergency, in which case adequate protection shall be provided for the traveling public. The vehicle(s) shall not be loaded or unloaded within the limits of the roadway.
7. The operator of the vehicle must comply with all laws, rules, regulations covering the movement of traffic over streets in accordance with the Village of Richfield Codified Ordinances and the Ohio Revised Code.
8. All construction equipment and other machinery shall have attached thereto a plate showing the manufacturer's name and the model.
9. A permit is void at any time road, weather or traffic conditions make travel unsafe.
10. Reductions in legal weight posted on roadways or bridges must be obeyed.
11. Oversize or overweight loads shall be operated or moved at such impact stresses on structures and pavements.
12. Loads having extremely large dimensions shall require additional protective measures when necessary for the safeguarding of other traffic. Due regard shall be taken of traffic in both directions and every possible effort shall be made to prevent traffic congestion. One or more flagmen, or a pilot car may be required.

13. All over dimensioned vehicles and loads shall: Display clean red flags not less than 16” square and fastened to staffs of sufficient length so as to permit the flags to move freely of any obstructions, located as follows: One at each end of the front bumper or at 45-degree angle, one at each of the four corners of the vehicle or load, and if there is any part of the load wider, one at the widest point on either side.
14. Flag men to flag traffic on turning movements or at any time any part of the vehicle or load is over the centerline of the highway.
15. Flag men must be ahead to warn approaching traffic, when sight distance is limited to 500 feet or less.
16. When police escort or traffic control is required, operator must contact the Richfield Police Department **three (3) days prior** to movement of load.
17. Escort vehicle with proper signs attached to proceed five hundred (500) feet in advance of the vehicle or load for any combination of vehicle/load in excess of thirteen (13) feet in width.
18. Escort vehicle with proper signs attached to follow five hundred (500) feet back of the vehicle or load for any combination of vehicle/load in excess of ninety (90) feet in length.
19. Oversize load signs shall be displayed on any vehicle/load exceeding the maximum legal dimensions as established in the Ohio Revised Code 5577.04 and 5577.05.
20. Non-compliance with the conditions of a permit, exceeding the weights or dimensions granted, or operating on dates or upon highways other than assigned shall render the permit null and void and the operator of the vehicle subject to arrest.
