

Richfield Village Safety Committee

Minutes of the November 8, 2021 Meeting

Called to order at 6:30 p.m.

Roll call: Jeff Stoppenhagen, Gray Domanick – Absent – Bobbie Beshara

Guests: Mayor Wheeler, Chief Seifert, Chief Swanson, AC Lester

Stoppenhagen moved to excuse Mrs. Beshara. Domanick seconded; vote passed unanimously.

The history of the current exercise equipment was reviewed by AC Lester and the deficiencies discussed.

* All of the equipment came from an aircraft carrier or was donated.

* The equipment is plate loading & uses cables.

* The majority of the vinyl surfaces are worn and/or torn.

Domanick suggested adding a recumbent bike to the equipment, Lester will get pricing added.

Adding the Service Department would allow the cost to be split in 3rd between PD, FD & Service.

Lester will get additional bids from 2 more vendors so we are within the requirements of competitive bidding.

Stoppenhagen moved to recommend the purchase of the exercise equipment outlined in the Health & Fitness proposal, with the addition of the recumbent bike, to Council at the next meeting. Domanick seconded; vote passed unanimously.

Chief Seifert said there would be a 6% increase in the price of the new engine effective 2/1/2022. The Fire Truck Committee is working to finalize the details. Action is needed as close to the end of the year to get an order placed to beat the price increase.

Meeting was adjourned at 7:40 p.m.
