Recitals

- A. The Village adopted Ordinance No. 56-2007 on February 19, 2008, establishing a tax increment financing program ("TIF Program") authorizing the Village to declare improvements to certain parcels of real property to be a public purpose, and authorizing the Mayor to negotiate agreements for tax increment financing.
- B. In order to create and preserve jobs and employment opportunities within the jurisdiction of the Village and to improve the economic welfare of the people of the Village, Village Council adopted the TIF Ordinance on February 19, 2008, in accordance with the Act and the TIF Program for the development and financing of the Project within the boundaries of the Village.
- C. The Village will acquire, construct, install and pay the costs of the Public Improvements, which Public Improvements directly benefit and serve the Development Property and the people of the Village in general.
- D. In order to carry out the public purpose and to comply with the requirements of the Act and the TIF Program, the Village desires to enter into this Development Agreement to provide for tax increment financing and the construction of the Public Improvements. The Owner is willing to complete the Development Improvements on the Development Property, to make the Service Payments, and to perform such other actions required by the Owner as described in this Development Agreement.
- E. The Village has determined that it is necessary and in the best interests of the Village to provide for the making of Service Payments in lieu of taxes by the Owner with respect to the New Construction, in accordance with the Act, the TIF Program, and the TIF Ordinance and, therefore, the Village has declared that 100% of the assessed value of the New Construction is a public purpose and will be exempt from real property taxation for thirty (30) years (the "Exemption Period") except that the Revere Local School District and the Cuyahoga Valley Joint Vocational School District shall receive their full portion of real estate taxes based on their tax rates.
- F. The Village has determined that the development of the New Construction by the Owner on the Development Property and fulfillment generally of the terms of this Development Agreement, are in the best interests of the Village and the health, safety, morals and welfare of its residents.

- G. The Village has, by notice delivered to the Board of Education of the Revere Local School District (the "Revere Local School Board") on November 8, 2007, given notice of the Village's intent to declare New Construction to be a public purpose in accordance with the TIF Program.
- H. The Revere Local School Board, on February 5, 2008, passed a resolution waiving the right to approve exemptions from taxation under Section 5709.43, Revised Code, for any improvements declared to be a public purpose and for an development agreements entered into under the TIF Program on the condition that a compensation agreement be negotiated in accordance with Section 5709.40, Revised Code, and waiving any notice under Section 5709.83, Revised Code.
- I. The Village and the Revere Local School Board have entered into an Agreement to provide that 100% of the assessed value of the New Construction will be exempt from real property taxation for thirty (30) years provided that the Revere Local School District and the Cuyahoga Valley Joint Vocational School District shall receive their full portion of the real estate taxes based on their tax rates.

The parties agree as follows:

Article I The Village

Section 1.1 Representations. The Village makes the following representations:

- (a) It is a political subdivision, duly organized and validly existing under the laws of Ohio and its Charter.
- (b) It has performed all acts required of it as a condition to signing and delivering this Development Agreement.
- (c) It is not in violation of any laws of Ohio or its Charter, to an extent that would impair its ability to carry out its obligations under this Development Agreement.
- (d) It has the power to enter into and perform its obligations under this Development Agreement.
- (e) Its Village Council has duly authorized the signing, delivery, and performance of this Development Agreement.

Section 1.2 Village Agreement to Construct Public Improvements.

Subject to the terms of this Development Agreement, the Village agrees to acquire, construct, and install some or all of the Public Improvements described in Exhibit "D" in accordance with a time schedule and improvement descriptions to be determined by the Village.

Article II The Owner

Section 2.1 Owner Representations. The Owner makes the following representations:

- (a) It is a Limited Liability Company duly organized, validly existing, and in good standing under the laws of Ohio.
- (b) It has performed all acts required of it as a condition to signing and delivering this Development Agreement.
- (c) It is not in violation of any laws of Ohio to an extent that would impair its ability to carry out its obligations under this Development Agreement.
- (d) It has the power to enter into and perform its obligations under this Development Agreement.
- (e) Its Managing Member duly authorized the signing, delivery, and performance of this Development Agreement.

Section 2.2 Acquisition of Development Property. As of the date of this Development Agreement, the Owner has acquired fee title to all of the Development Property, which is located on Parcel No. 5001535 & 5001533 within the boundaries of the Village, and has paid all costs associated with this acquisition of title.

Section 2.3 Agreement to Make Service Payments. The Owner agrees to make Service Payments to the Village as described in Section 3.3 during the Exemption Period.

Article III Exemption from Real Property Taxation

Section 3.1 Exemption of New Construction. The Village hereby declares that the increase in assessed valuation of the Development Improvements by reason of all New Construction is a public purpose and determines that 100% of the assessed valuation of the New Construction is exempt from real property taxation by all political subdivisions and taxing districts, except the Revere Local School District and the Cuyahoga Valley Joint Vocational School District, which shall receive their full portion of real estate taxes based on their tax rates. The exemption will commence separately for each portion of the New Construction, as of the first tax year that each and any portion of the value of the New Construction appears on the tax list and duplicate, or would appear on the tax list and duplicate but for the exemption, and will extend for the Exemption Period.

Section 3.2 Service Payment. The Owner must make Service Payments to the Village as follows:

- (a) During the Exemption Period, in accordance with the Act, the TIF Program and the TIF Ordinance as amended and supplemented, the Owner, for itself and any successors in interest to the Development Property or any part thereof or interest

therein, covenants and agrees to make (or cause to be made) semiannual Service Payments in lieu of real property taxes with respect to the New Construction pursuant to and in accordance with the requirements of the Act, the TIF Program, and this Development Agreement. The obligation to make Service Payments will run with the land. The Service Payments must be made semiannually to the County, or to the designated agent of the County for collection of the Service Payments, on or before the date on which real property taxes would otherwise be due and payable for the New Construction. Any late Service Payments must include interest and penalties at the same rate and in the same amount and payable at the same time as delinquent real property taxes. Each semiannual Service Payment must be in an amount equal to the real property taxes that would have been charged and payable against the exempted portion of the New Construction if an exemption from real property taxation had not been granted, plus all interest and penalties thereon for nonpayment, and must otherwise be in accordance with the requirements of the Act.

- (b) It is intended and agreed, and it must be provided in any future deed conveying the Development Property, or any portion thereof, to any person, that the covenants provided in Section 3.2(a) will be covenants running with the land and that they will, in any event and without regard to technical classification or designation, legal or otherwise, be binding to the fullest extent permitted by law and equity, for the benefit and in favor of and enforceable by, the Village, whether or not this Development Agreement remains in effect and whether or not this provision is included in any succeeding deed of the Development Property, or any portion thereof. It is further intended and agreed that these agreements and covenants will remain in effect for the full Exemption Period permitted in accordance with the requirements of the Act, the TIF Program, the TIF Ordinance, and this Development Agreement. The covenants running with the land will have priority over any other lien or encumbrance on the Development Property and the New Construction other than the Permitted Encumbrances. The parties agree to execute and record any and all instruments of record in Summit County, Ohio, including this Development, as may be necessary to preserve and protect such covenants running with the land.
- (c) The Owner must prepare and file or cause to be prepared and filed in cooperation with the Village any necessary applications and supporting documents to obtain the exemption from real property taxation for the New Construction to enable the Village to collect the Service Payments and to disburse these payments to or for the account of the Village. The Village will cooperate with the Owner in connection with the preparation and filing of any required exemption applications.
- (d) The Owner may sell, lease, or otherwise convey any portion of the Development Property. If the transfer provides that the transferee assumes the obligations under this Development Agreement to make Service Payments with respect to the New Construction on the portion of the Development Property transferred, the Owner will be released from its obligations under this Development Agreement to make those Service Payments with respect to that New Construction. The agreement to make Service Payments under this Development Agreement is a covenant running with the land. Subject to the foregoing, the obligations of the

Owner to make the Service Payments will be absolute and unconditional, and will not be terminated for any cause, and the Owner agrees that there will be no right to suspend or set off the Service Payments for any cause, including without limitation failure to complete the Development Improvements, any acts or circumstances that may constitute failure of consideration, destruction of or damage to the Improvements, commercial frustration of purpose, any change in the tax or other laws or administrative rulings of or by or under authority of the State of Ohio, or any failure of the Village to perform and observe any agreement, whether express or implied, or any duty, liability or obligation arising out of or connected with this Development Agreement.

- (e) The Owner represents to the Village, and the Village acknowledges that upon completion of the Project, the expected appraised value for the New Construction will be approximately \$2,000,000.00. The parties acknowledge that this is an estimate and that the failure to achieve that level of New Construction will not constitute a failure of either party to perform under this Development Agreement. The Village will not unreasonably withhold, delay, or condition the permits that the Village issues or approves.

Article IV Events of Default

Section 4.1 Event of Default. It will be an "Event of Default" by the Village or the Owner, as applicable, under this Development Agreement if:

- (a) The Owner fails to observe or perform any of the material covenants and obligations of the Owner under this Development Agreement, and the failure continues for a period of 90 days after notice, for default other than failure to pay Service Payments, and for a period of 90 days without any required notice for failure to pay Service Payments.
- (b) The Village fails to observe or perform any of the material covenants and obligations of the Village under this Development Agreement, and the failure continues for a period of 90 days after notice.

Section 4.2 Remedies in Event of Default. During the continuance of an Event of Default, the Village or the Owner will have available as a remedy all rights granted under law or equity. Section 5.6 Entire Agreement. This Development Agreement sets forth the entire agreement between the parties as to its subject matter and merges and supersedes all previous discussions, agreements, and undertakings between the parties with respect to the subject matter of this Development Agreement.
